Mahoning County District Board of Health to Offer ServSafe® Class

The mission of the Mahoning County District Board of Health's food safety program is to reduce and prevent food borne illness. To achieve this goal, the Mahoning County District Board of Health is offering a two-day interactive, ServSafe® class.

As of March 1, 2017 the Level Two Certification is a requirement by the Ohio Department of Health for the following licensed risk levels:

- Risk Level III Food Service Operations and Retail Food Establishments
- Risk Level IV Food Service Operations and Retail Food Establishments

The additional training requires one employee, who has supervisory, and management responsibility and the authority to direct and control food preparation and service, to maintain the Level Two Certification. The Ohio Department of Health will provide a certificate of completion upon passing the course.

The participants will learn about preventing food borne illness through:

1. Safe cooking
2. Cleaning
3. Sanitizing
4. Personal hygiene practices
5. HACCP principles
